

# Snapchat *policy*

FaithWorks Early Care and Education Center has created a Snapchat account used specifically for our immediate preschool family's enjoyment. We will only add and accept the parents of the preschoolers at FaithWorks to this account. It will only be used to send photos or videos to the parents for the enjoyment of seeing the fun their children have every day!

FaithWorks Early Care and Education Center would like your permission to take photos and videos of your child and either send them directly to you or post them to our Snapchat story.

-----

I grant permission for photos and videos to be taken of my child and posted on FaithWorks Early Care and Education Center's Snapchat.
